1. Recommendations for family-focused devotions and connections:

- wels.net/heart-to-heart-parent-conversations (monthly articles from *Forward in Christ* featuring discussion around godly parenting)
- *Dig In! Family Devotions to Feed Your Faith*, available from timeofgracestore.org

2. Take your children to Sunday School – and be involved with their spiritual growth! Do all you can to make sure your children are in heaven with you

3. Provide each child with his/her own age-appropriate Bible
